▶ GENERAL FEATURES

CHARACTERISTICS

- ▶ Stackable per 10 chairs
- ▶ Optional : arm-rests
- ▶ Belgian product
- ▶ 5 years warranty

FRAME

- ▶ TIG welded on different positions under the seat
- ▶ Durable polypropylene footcaps on all 4 legs, simultaneously serving as protective stacking feet
- ▶ Extra protective stacking caps
- ▶ Finish : powder coated polyester in a RAL colour from the Metafox collection

SEAT

- ▶ 9 mm plywood & foam seat, thickness : 5,5-6 cm, density 50 kg/m³
- ▶ The seat is finished with double flat stitching
- ▶ The seat is fixed with 5 wood bolts with a high extraction value

BACK

- ▶ 22 mm plywood & foam back, thickness : 2,5-3 cm, density 38-40 kg/m³
- ▶ Due to their high density and royal thickness, the flame-retardant foam offers an optimal seating comfort
- ▶ The seat & back are made of bonded foam, maintaining their form at all times

UPHOLSTERY

- ▶ Upholstery as desired (velvet, tweed, plain fabrics, etc.) from the Metafox collection
- ▶ All upholstery has been fire-retardant treated in accordance to the standards EN (EUR), M (FR) or BS (UK)
